

Volunteer to be an Ambassador for LWGA

Interested in volunteering only one month out of the year? Come be an ambassador for the LWGA!

During our regular Tuesday play dates, you can assist new and existing members with finding their groups for the day and answer other questions/resolve issues as needed. This is a great opportunity to meet and get to know more friends in the LWGA. Also, we are always looking for substitutes. Please click the CONTACT button above the menu on the LWGA.net page and let us know. We will have the Ambassador Chair reach out to you.
