Tuesday scores must be posted by 4 PM Thursday following play to be eligible for earning points if your team wins.

RULES FOR TUESDAY PLAY

- USGA and local rules govern all play.
- Scores that count must be holed out.
- A match of cards per USGA Rules will break all ties.
- Rules and questions that arise during play should be resolved by the Golf Professional Staff PRIOR to the signing and submitting of scorecards.
- **Walkers** are welcome. When registering for play, select the walking option.
- LWGA players may play from the Course named tees (Deer Creek, Magnolia, Marshwood, Oakridge, Plantation & Palmetto) or the Island/Shorts (where available) or Skidaway tees if flight signups have been made available.
- In the event that inclement weather results in the cancellation of 25% or more of the posted field, the game of the day will default to individual PROGS. If 50% of the field cancels, then Tuesday play is canceled.
- **Withdrawing from Play:** Unless the Tournament Chair officially cancels play, any individual who withdraws from play is not eligible to win. The remaining team members are eligible to win. The

score of the player leaving can count for the holes she played. The scorecard should show a line through the un-played holes. The remaining players will receive a Blind, of similar handicap, to complete the un-played holes. If the team wins, only the original team members who finish the 18 holes will be awarded points.

- **Missed Tee Time:** In the event a player is unable to start on time, they may, with permission of the Tournament Chair, play the remaining holes but her score will not count for her team. A Blind will be assigned for the 18 holes.

SKIDAWAY TEE & TOURNAMENT PLAY

- Members who wish to play from the Skidaway tees in major tournaments need to have posted at least 50% of their last 20 scores from those tees.
- If the format is a scramble, those typically playing from the Skidaway Tees may play from the Skidaway Tees.

RULES FOR DISQUALIFICATION

1. Scorecard not turned in = automatic disqualification.
2. Scorecard not signed = automatic disqualification.
3. Scorecard illegible = automatic disqualification.

Note: Scorers will make every effort to correct the card. Scorers will correct any mathematical errors. New players and those making repeated errors will be educated by the Scoring chair on the proper procedures.

MAXIMUM HOLE SCORE FOR HANDICAP PURPOSES

(Net Double Bogey)

The maximum hole score for each player will be limited to a Net Double Bogey, calculated as follows:

Double Bogey + handicap strokes a player receives based on their Course Handicap.

A score must be posted for the round, preferably by midnight of the day played.

PRIZES, AWARDS & RECOGNITIONS

Hole-in-One on Landings Courses Only

Most Improved Golfer

- Based on percentage change in index from January 1st to November 15th (USGA formula).
- Must compete and post 12 times in Tuesday LWGA events.

CODE OF CONDUCT

In supporting our LWGA mission statement, each member is expected to conduct herself in a manner that fosters good sportsmanship, good fellowship, and respect for individual dignity. Inappropriate conduct should be brought to the attention any member of the Executive Committee which may take disciplinary action.

WALKING POLICY (NEW 2020)

- It takes nine players (or 3 groups of 3 at a minimum) to have a walking flight for a Tuesday playday. LWGA golfers who sign up as walkers are assigned to the walking flight. The TLC Tournament Coordinator will not try to equalize the handicaps for each walking group and will also attempt to place the walkers approximately near holes 1,2,10 and 11.
- If the walking flight dips below the required minimum, the TLC Tournament Coordinator

flights all players (walkers and riders) together.

- Please note that players who sign up as walkers have the option to ride on the day of play and also riders may choose to walk on the day of play (provided they coordinate with team captain and can easily get to the starting hole). All LWGA members must recognize that a certain amount of “give and take” is required for both of these options to run seamlessly.
- The team captain, or scorers should report slow play to the LWGA President and inform her whether the player is a rider or walker.
