

### E-Blast from the LWGA

Hi LWGA Member,

In light of the ever-evolving procedures to protect everyone in this uncertain time, the LWGA will, at least temporarily, dispense with our Pairings and Scoring volunteers. In so doing the following rules will be in effect for March 24th.

#### LWGA Rules for March 24 @ Deer Creek

- **Cancellations** should be made by Sunday at 5pm
  - Use option 2 on "How to Cancel" table on the front page of LWGA.net  
(or send an email to Lori at [Lsredding@icloud.com](mailto:Lsredding@icloud.com))
- **Teams will be updated** on Sunday evening
  - Cancellations will be deleted, and others will be added from the wait list.
  - You will be notified if your team has changed.
  - Everyone is assumed to be bringing their own cart or walking – if not, it is your responsibility to work it out with your team or rent a cart from the club.
  - No changes will be made after Sunday's update – the teams are final.
  - **There will not be any blinds. If someone on your team cancels and your team ends up as a 3some or 2some when you are ready to tee off, your final score will be mathematically adjusted.**
- **On Tuesday**, there will be no check-in or hostesses. The original scorecards will be set outside the pro shop but feel free to use your own scorecard if you are more comfortable doing that.
- **The Format is 1BB.** Winter rules are in effect.
- **You must putt out the ball that will be used for the "1BB". There are new bumpers in the holes so you will not have to reach into the hole. Leave flagstick in for ALL putts.**
- **All rakes have been removed from bunkers. Use your foot to smooth the sand. Free relief in all bunkers if your ball lands in an animal or foot print.**
- **No need to turn in scorecards. One person on each team must email your final score to Lori at [Lsredding@icloud.com](mailto:Lsredding@icloud.com) Your score must be received by Tuesday at 5pm.**
- Winners will be posted on LWGA.net.

Thank You !

LWGA Board of Directors
