Steps for Resolving LWGA Event Registration Problems.

- In order to register for an LWGA Event you must be signed in to the Landings Club website.
- If you get to the LWGA Events Listing and to the right of the Event is only says *View* instead of *View Register Now*, then the computer you are on is not recognizing you as logged in to the Landings Club website.
- Should this be the case, there is a workaround:
- Click on the Event you want to register for. You will get a screen like this:

• Click on Register Now

You will get this screen:

- Click on New Registration.
- The screen you get will ask you to select your name. After selecting your name, IT IS NECESSARY TO ENTER YOUR CLUB NUMBER IN THE FORMAT
- Your Number-002.

Example: 1234-002 Example: 21001-002
